

## Antica calce plus

### S.396 Brushed effect decorative mineral coating for interiors

*Antica calce plus* is a lightly textured elegant finish coating characterized by light and shade effects which highlight the brush strokes, and is pleasant to the touch thanks to the traditional polishing technique. *Antica calce plus* is normally applied in at least two coats, with an indicative spreading rate of 0.4-0.6 kg/m<sup>2</sup> based on two coats. Tools: brush, steel trowel.

T122
